

# PRODUCT DATA SHEET

## PRODUCT DESCRIPTION

**XTRMPLY® TREADWAY®** is designed to be used as a traffic-bearing surface for RV Roofs. Take the worry of damaging your roof when washing or performing maintenance.

Available in a Peel-N-Stick, **XTRMPLY® TREADWAY®** is easy to install for Do-It-Yourselfers.

**XTRMPLY® TREADWAY®** surface provides excellent skid resistance and the low profile does not disrupt water run off.
